Dear Applicant,

Thank you for your interest in volunteering as a Counselor with Midwest Children’s Burn Camp (MCBC)! Please review the following information carefully before completing and submitting the attached application.

What is Midwest Children’s Burn Camp? MCBC is for campers ages 6-17 who have sustained burn injuries including smoke inhalation. Camp is free of charge! This special camp offers the chance for youth burn survivors to enjoy fun summer activities with others who have gone through a similar experience. The camp’s positive and supportive environment helps build self-confidence, boost self-esteem and allows children to realize they are not alone.

When is Midwest Children’s Burn Camp? Midwest Children’s Burn Camp 2020 is scheduled for July 25, 2020 through August 2, 2020 at Camp Taum Sauk in Lesterville, Missouri (www.taumsauck.com). Counselors must commit to being at camp for the whole week as well as attend volunteer orientation in Columbia, Missouri from May 29th, 2020 to May 31st, 2020.

What is a Counselor? Counselors are an integral part of the MCBC team. Counselors will be directly responsible for the campers at all times. A counselor, as the name implies, is one who counsels . . . you are a mentor; a teacher, a companion, a judge and a guide. Although all positions are vital to the success of camp, the Counselor’s job is by far the most demanding and the most rewarding. The campers will carefully observe all you do. You will be responsible for the health, happiness and welfare of your group 24 hours a day.

What qualifications and experience are required? Counselors must be at least 21 years of age and Counselors-in-Training must be at least 18. Previous experience with children is not required but is preferred.

Who do the Counselors report to? Counselors report to the Group Leader for the age group of campers to which they are assigned.

What are the essential functions of a Counselor?
- Able to live in a cabin with others, eat meals in a large, noisy dining room, etc.
- Possess strength and endurance required to maintain constant supervision of campers in both structured and unstructured activities
- Able to address stressful situations appropriately in a fast-paced, interactive environment

I’m in! How do I apply? You have options! Complete and return the attached application by email to brsg@brsg.org or fax to (314) 939-1555. Or fill out an application online at app.campdoc.com/register/mcbc. Applications are due April 30th, 2020.
